AND

WHEREAS, as a result of the aforesaid collective negotiations, certain terms and conditions have been agreed upon;

NOW, THEREFORE, in consideration of the mutual covenants contained herein, the parties hereto, for themselves, their successors and assigns, agree as follows:

ARTICLE I - RECOGNITION

Section 1

The Board hereby recognizes the Association as the majority representative for collective negotiations concerning grievances and terms and conditions of employment for all contracted clerical employees, except confidential or business office clerical employees, employed by the Board.

Unless otherwise agreed, the term "employee" when used in this Agreement shall refer to all employees within the bargaining unit represented by the Association.

Section 2

If any provision of this Agreement is held to be contrary to law, then such provision and application shall not be deemed valid and subsisting, except to the extent permitted by law. All other provisions contained herein shall continue in full force and effect.

Section 3

Employees will render services and conduct themselves in accordance with personnel policies adopted or modified by the Board, now or in the future, provided such policies are not contrary to law or in violation of this Agreement.

Section 4

The Board and the Association agree to enter into collective negotiations over a successor agreement in a good faith effort of both parties to reach agreement on matters concerning the terms and conditions of employment as well as salary for employees. The Board and the

Association have agreed to commence negotiations on or before December 1 in the last year of this contract.

At the request of the Association, the Board agrees to discuss with it any change in district practice which may affect the Association or its individual members.

ARTICLE II - COMPENSATION

Section 1

Subject to the recommendation of the Superintendent of Schools or the School Business Administrator and approval by the Board, the salary of each unit member during the 2008-09, 2009-10, and 2010-11 school years shall be in accordance with the mutually developed salary guides and Progression-Advancement Chart attached hereto as Schedule A and incorporated by reference. No members shall receive less than what they are presently earning.

ARTICLE III - GRIEVANCE PROCEDURE

Section 1: Definition

A "grievance" is a claim by an employee or group of employees based upon the interpretation, application or violation of this Agreement, policies or administrative decisions and practices affecting an employee or a group of employees.

Section 2

The following matter shall not be the basis of a grievance under this Article: a complaint by any probationary or non-tenured employee which arises from the decision not to re-employ said employee.

Section 3: Purpose

The primary purpose of the procedure hereby set forth is to secure, at the lowest level possible, equitable solutions to the problems of the parties. Except as is necessary for the purpose of implementing this procedure, both parties agree that these proceedings shall be kept as informal and confidential as may be appropriate at any level of such procedure. Nothing contained herein shall be construed as limiting the right of any employee having a grievance to discuss the matter informally with any appropriate member of the administration.

Section 4: Procedure

The procedure for the processing of a grievance shall be as follows:

- a. **Level 1:** A grievant shall institute a grievance under the provisions hereof within fifteen (15) calendar days of the occurrence complained of or within fifteen (15) calendar days after the grievant would reasonably be expected to know of its occurrence. Failure to so act within the aforesaid fifteen (15) day period shall be deemed to constitute an abandonment of the grievance, and no further proceedings hereunder shall be permitted. The grievant shall first discuss the grievance orally with her/his immediate administrative supervisor (department head, supervisor, principal, etc.) to attempt to resolve the matter at that level.

- b. Level 2: If the grievance remains unresolved, the grievant shall, within five (5) days following the informal conference, submit the grievance to her/his immediate supervisor in writing. This shall specify:
 - (1) The nature of the grievance and the remedy requested;
 - (2) Date of the grievance
 - (3) The results of the previous discussions; and
 - (4) The basis of the dissatisfaction with the determination.

The grievant's immediate supervisor shall, within five (5) calendar days, submit a written decision on the grievance, which shall be transmitted to the grievant.

- c. Level 3: If the grievance remains unresolved, the grievant shall, no later than five (5) calendar days after receipt of the immediate supervisor's written decision, appeal said decision to the Superintendent. The appeal must be in writing and include copies of all supporting documents, which shall include a copy of the grievance and decision made at the prior level. The grievant shall, at the time of the filing of the appeal, also furnish the immediate supervisor with a copy of any additional document(s) provided to the Superintendent. The Superintendent shall attempt to resolve the grievance as expeditiously as possible and shall have authority to conduct such hearings (in such a manner as he/she deems necessary) to resolve the grievance. In any event, the Superintendent shall, within ten (10) calendar days after receipt of the written grievance (unless a different period is mutually agreed upon), advise the grievant in writing of his/her determination.
- d. Level 4: If the grievance remains unresolved, the grievant shall state in writing, no later than five (5) calendar days after receipt of the Superintendent's decision, the grounds for the grievance to the Board in the same manner and in the same procedure as applicable to Level 3 as set forth above. The Board may hold a hearing or decide the grievance based on the papers submitted at its discretion, but in either case will render a written decision no later than twenty (20) calendar days after receipt of the grievance.
- e. Level 5: If the grievance remains unresolved, the Association shall have the right to binding arbitration of the grievance provided that such request for binding arbitration shall be made known to the Board through the Board Secretary no later than ten (10) calendar days following the determination of the grievance. Failure to demand arbitration within the aforesaid time period shall constitute a bar to arbitration unless the grievant and the Board shall mutually agree upon a different time period within which to assert the request.

Section 5

The following procedures shall be used to secure the services of an arbitrator.

- a. Arbitrators shall be selected through the Public Employment Relations Commission (PERC) and all parties will be bound by the Commission's rules.

- b. The fees and expenses of the arbitrator are the only costs which shall be shared equally. All other expenses and costs incurred shall be borne by the party incurring same.

Section 6

All time limits stated herein shall be deemed mandatory as a condition for compliance with the requirements of this Article and may be shortened or lengthened only upon the mutual written consent of the parties hereto.

ARTICLE IV - EMPLOYEE RIGHTS AND PRIVILEGES

Whenever any employee is required to appear before any administrator or supervisor, the Board or any committee, representative or agent thereof concerning a disciplinary action, she/he shall be given prior written notice of the reasons for such meetings or interview and shall be entitled to have a representative of the Association present to advise her/him and represent her/him during such meeting or interview.
